Re: Bernards Township Citizens for a Safe and  
Clean Quarry, Inc. v. Township of Bernards  
Docket No. SOM-L-803-14

Dear Judge Miller;

I am writing to you inform you that due to changes on the ground with respect to the Millington Quarry, including but not limited to the fact that the Quarry has a contract with a party interested in developing the property and the Township has had discussions with that party, my client, Bernards Township Citizens for a Safe and Clean Quarry, has agreed to withdraw its Complaint in this matter in its entirety, with prejudice, and without fees or costs. A chain of letters has occurred between myself and attorney for the Township, dated February 10, February 12, February 15, and February 17, 2016 that have, together, resolved certain issues to the satisfaction of my client, and it now believes that it in the best interest of the Township and its residents that it cease litigating this matter.

I am accordingly enclosing a proposed order dismissing this case for your signature.

Respectfully,

NEW JERSEY APPLESEED PILC
